**Student Profile: Abeless Phiri**

*Zambia*

**Abeless Phiri is 10 years old. Her father was forced to leave the town that she lives in because he could not find a job there to support the family. She now lives with her mother and 5 other children in a 3 room house made from dirt and sticks.**

**Abeless is currently attending the Dzikomo Basic School on a scholarship from Supporting Success, but needs the scholarship renewed in order to continue her education because her aunt has no money to pay for the school fees.**

To support Abeless and her education, please donate to the  
Supporting Success Scholarship Fund.

**Student Profile: John Tembo**

*Zambia*

**John Tembo is 11 years old. He lives with his parents and six brothers and sisters in a 3 room house that is made of dirt and sticks. John's parents are old and have a very difficult time trying to support their large family. They have no extra money to pay for their children's education.**

**John is now in the 5<sup>th</sup> grade at the Dzikomo Basic School on a scholarship from Supporting Success. He is relying on Supporting Success to continue to sponsor him so that he can continue his education.**

To support John and his education, please donate to the  
Supporting Success Scholarship Fund.

## **Student Profile: Robert Mulimba** *Zambia*

**Robert Mulimba is 11 years old. He lives with his aunt a few hours away from the village where his family lives. His parents are farmers but were unable to provide for him because there was not enough rain to grow their crops for a long time. They were also afraid he would catch diseases that were spreading so they sent him to live with his aunt.**

**Robert is now in the 5<sup>th</sup> grade at the Dzikomo Basic School on a scholarship from Supporting Success. Robert's aunt cannot afford to pay for his education, so he is relying on Supporting Success to continue to provide him with scholarships to allow him to stay in school.**

To support Robert and his education, please donate to the  
Supporting Success Scholarship Fund.

## **Student Profile: Moses Mbewe** *Zambia*

**Moses Mbewe is 12 years old. Moses lives with both of his parents. His family also took in the five orphaned children of his father's sister, who died two years ago. All eight members of the family now live in a four room house and the father is struggling to support them all, so he cannot afford to pay for Moses' education.**

**Moses is now in the 5<sup>th</sup> grade at the Dzikomo Basic School on a scholarship from Supporting Success. He is very bright, but suffers from severe diabetes, which makes school difficult for him because he is not receiving treatment for it. Despite this, he is determined to continue in school and get his degree.**

To support Moses and his education, please donate to the  
Supporting Success Scholarship Fund.

## **Student Profile: Harriet Banda** *Zambia*

**Harriet Banda is 11 years old. Her father died when she was four years old and her mother died the next year. She now lives with her grandmother, who is a widow, in a two room home. Her grandmother tries to make a living by farming, but the land is not good in Zambia and it is difficult for her to grow enough to make a living.**

**Harriet is in 5<sup>th</sup> grade at the Dzikomo Basic School on a scholarship from Supporting Success. Without this scholarship, she would be unable to go to school because her grandmother has no money to pay for her fees. She is counting on Supporting Success to continue to sponsor her to allow her to stay in school.**

To support Harriet and her education, please donate to the  
Supporting Success Scholarship Fund.

**Student Profile: Sadiya Akter**  
*Bangladesh*

**Sadiya Akter is 9 years old. She is the youngest of three girls in her family. Her father is a school teacher and earns about \$30 a month. It is difficult for him to support his family on this salary and they struggle to survive. Because the family can rarely afford meat, they eat mainly only rice and vegetables.**

**Sadiya lives in a house made of bamboo and straw. When storms come, she is always worried that their home will be destroyed by the wind and rain. They have no bathroom in their home so they bathe in a pond nearby.**

**Sadiya's hobby is cooking and she likes to help her mother in the kitchen. She hopes to continue her education so that she can provide a better life for her family.**

To support Sadiya and her education, please donate to the  
Supporting Success Scholarship Fund.

## **Student Profile: Mijanur Rahman** *Bangladesh*

**Mijanur Rahman is 11 years old. He has a large family – 3 brothers and 4 sisters. The entire family depends on the income of his father, who is a small farmer and earns only about \$35 a month, making it very difficult for his father to support the family.**

**Mijanur lives in a small village called Singair Upazila. He currently attends the IRFF Utter Backchar Primary School that does not charge tuition. He walks 30 minutes to school everyday and wants to continue his education very much. His goal is to become a teacher, but he worries that after he leaves the IRFF School, his father will not be able to afford to send him to public school if he does not receive a scholarship.**

To support Mijanur and his education, please donate to the  
Supporting Success Scholarship Fund.

**Student Profile: Juborag Mia**  
*Bangladesh*

**Juborag Mia is 10 years old. He lives with his parents and three sisters in a house made of bamboo and straw. His father is a small farmer and only earns about \$35 a month, which is not enough to support his family.**

**Juborag's hobbies are playing soccer with his friends and helping with his family's garden. He lives in a small village that is far from any town. He walks two miles everyday on a muddy path to get to his school and wants very badly to continue his education. He feels like a burden on his father, however, and does not think that he will be able to continue at a high school that charges tuition without a scholarship.**

To support Juborag and his education, please donate to the  
Supporting Success Scholarship Fund.

**Student Profile: Helena Akter**  
*Bangladesh*

**Helena Akter is 10 years old. She has three sisters and two brothers. Her mother stays at home to take care of the children and the home, and her father owns his own small business, where he makes about \$50 a month. The family lives in a farming village in a very simple house made mostly of straw.**

**Helena's sisters and brothers attend school and their father is struggling to pay tuition for all of them. Helena currently goes to IRFF's Jaigeer Primary School, which is free, but will soon be entering high school where she will have to pay tuition.**

**Education is very important to Helena. She walks 2 miles from her home to school every day. She dreams of becoming a doctor one day.**

To support Helena and her education, please donate to the  
Supporting Success Scholarship Fund.

**Student Profile: Amir Hamja**  
*Bangladesh*

**Amir Hamja is 11 years old. He likes to play soccer and his favorite food is mango.**

**Amir is the youngest child in his family and has two sisters. His mother is a housewife and his father is a small businessman who earns around \$50 a month. His two sisters are in school and it is very difficult for his father to cover all of their educational expenses, so it is not certain that Amir will be able to continue with his schooling.**

**Amir dreams of becoming an engineer and wants desperately to continue in school in order to achieve his dream.**

To support Amir and his education, please donate to the  
Supporting Success Scholarship Fund.
